To the Editors
Discover Artificial Intelligence (Springer Nature)

Dear Editors,

We are pleased to submit the revised version of our manuscript, "AI foundation model choice and false positive variation in Anti Money Laundering (AML) transaction screening," for consideration in Discover Artificial Intelligence.

We have addressed the editor's and the reviewers' comments and revised the manuscript accordingly. A detailed point-by-point response accompanies this submission.

The reproducibility archive is available on Zenodo:

Thank you for your continued consideration.

Sincerely,

Robin Chawla
